

BURGETTSTOWN AREA YOUTH SOCCER ASSOCIATION SCHOLARSHIP APPLICATION REQUIREMENTS

Purpose & Scope:

To recognize one female and one male BAYSA soccer player who has exhibited insight into the educational process and its importance to the future of the community. The recipient must be accepted as a full-time student in any accredited institution of higher learning (Technical School, Trade School, College).

Award:

One \$500 check each will be issued to the institution of higher learning enrolled in by one female player and one male player of the Burgettstown Area Youth Soccer Association.

Method of Selection:

Recipients are voted on by an impartial panel of five (5) volunteer judges consisting of at least one officer of the current BAYSA Board of Directors as well as four highly regarded members of the BAYSA organization, to be selected by the scholarship chair. The BAYSA president will only vote in the event of a tie or when a voting member refrains. In the event a judge's own child or relative has submitted an application that judge will refrain from voting and the BAYSA President will vote in his or her place.

At the time of review by application judges, applicant names will be stricken from the application. This makes the applications completely anonymous to the judges, thus ensuring the most impartial review possible.

All aspects of the application are taken into consideration.
